

CALL FOR PAPERS

CILASCI 8 - 2026

**VIII IBERO - LATIN AMERICAN
FIRE SAFETY CONGRESS**

Santander, 8th – 10th April 2026

Research of Interest

You are invited to submit a contribution that advances scientific understanding and/or presents new ideas in fire safety science. The topic areas include:

- Enclosure fire dynamics.
- Explosions.
- Fire chemistry, combustion and heat transfer.
- Fire education and training.
- Fires in vehicles, buildings and infrastructures.
- Fire investigation.
- Fire protection and energy transition.
- Fire risk assessment and resilience.
- Fire safety engineering.
- Fire sustainability.
- Human behaviour and Evacuation.
- Material fire behaviour.
- Mechanical and Thermal Properties of Materials
- New technologies in Fire science and technology.
- Regulation, standardization and performance-based design.
- Smoke Control, Detection, Extinction and Suppression.
- Structural fire engineering.
- Wildland and large outdoor fires

Abstracts - Papers

Abstracts must be sent by email to cilasci8@unican.es. Full papers and poster abstracts will be accepted on the basis of their quality and originality in the science of fire safety and its applications. Submitted full papers will receive at least two independent peer reviews. Accepted and presented papers will be included in the Symposium Proceeding.

Submission timeline

Abstract Submission deadline: **5th, September, 2025**

Abstract Acceptance/declination: **10th, October, 2025**

Paper Submission deadline: **9th, January, 2026**

Paper Acceptance/declination deadline: **20th, February, 2026**

Final Paper Submission: **6th, March, 2026**
